## Assembly Instructions

Items not included but needed for assembly:

1. ½" wrench

Instructions:

1. Lay the table on the floor with the bottom up. (Be sure to lay the table on a clean surface so you don't damage the tabletop.)
2. Take each of the table legs and insert the stretcher stud through the predrilled holes. The stretcher with the drilled holes goes on the top. Attach with 8-SCREW, 7MMX70MM, CONN, ALLENHEAD

3. Center legs on top. Attach the legs to the top using 10- screws provided.

4. Screw leg levelers into t-nut in the bottom of the leg.

5. Turn the table over so the top is up. Set your table in place and adjust the leg levelers to level the table.
