

RiZe Privacy Stations & Workstations

RiZe Privacy Stations

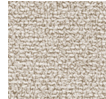

T1X1
RiZe Privacy Station
1x1 Configuration

- Create private, semi-private or shared workspaces with easy-to-link panels
- Innovative snap-and-lock technology makes assembly easy—no tools required!
- Each Privacy Station includes a freestanding desk and panels
- Choice of panel height (47" or 63") and desk size
- Choice of panel type—solid or poly-window
- Keyboard tray, CPU holder and casters for desks are optional on all stations
- 48" and 60" W units include mobile file pedestal
- Textured vinyl panels are easy to clean
- 3 special order fabric colors available
- 2" thick steel frames
- Wire management grommet hides cables within panels
