

How to choose a glide

	Carpet Floor	Hard Floor
Ball Glide	✓	Not Recommended
Nylon Swivel Glide	Not Recommended	✓
Felt Glide	Not Recommended	✓

Nylon swivel guides level chairs independently
 Perfect for hard floors
 Not suited for thick, looped carpeting
 Sleek look for all ages

Composite ball glide for protection on carpeted floors
 Made of polypropylene and nylon for durability
 Not suitable for waxed floors, may scuff or mark flooring
 Fun colors for early childhood environments

Prevents scratching and other floor damage
 Adds new life to old glides
 Reduces sound and noise for a better learning environment
