early play™

Developmentally
Appropriate
Indoor & Outdoor
Play for Children
under Two Years Old

Early Play complies with national commercial safety standards to help meet licensing and accreditation requirements.

What makes

the perfect play solution?

The makers of Early Play have little ones too, and we want only the best and most stimulating play activities to enrich the play and learning experiences of young children. Children under the age of two are growing at a rapid rate, and it is through play that they absorb the world around them. Early Play provides a variety of rich sensory opportunities to help promote best practices to meet licensing and accreditation requirements for early childhood.

Use Indoors or Out in Early Childhood Settings

Meets professional early childhood play standards indoors and out.

Durable materials are appropriate for full-time outdoor use.

Choose ComfyTuff or Coated Steel Decks

ComfyTuff coated foam can be left outside, is mold/mildew resistant, and is soft for crawlers and toddlers.

Steel decks offer the same quality as traditional playground decks. Plastic coating softens the edges and helps regulate temperature.

Excellent Solution for Early Education Centers

Configurable options are perfect for early childhood centers with limited space.

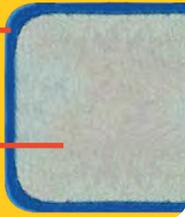

All surfaces are easy to clean when used indoors or out.

Early Play complies with national commercial safety standards to help meet licensing and accreditation requirements.

Featuring Exclusive ComfyTuff Platforms

Durable & Weather Resistant Polyurethane Skin

Polyurethane Foam Interior

Crawl & Toddle

featuring Blue **ComfyTuff** Platform

Playful: UP130 **Natural:** UP131

Dimensions: 56" L x 42" W x 33" H

Use Zone: 10' 8" x 9' 6" **Capacity:** 8 children

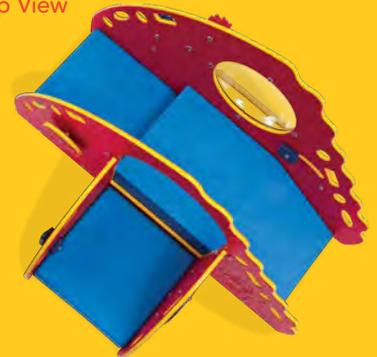

**Surface-Mount and Inground packages sold separately.*

Front View

Exclusive ComfyTuff surface provides extra comfort for little hands and knees but is durable enough for the outdoors.

Top View

Combines three ways to crawl and climb with creative and fun elements of development for children under two. Children will love to play and discover with their friends while learning concepts such as cause-and-effect and gaining confidence with gross and fine motor skills. Handholds are placed throughout to provide support for new walkers and cruisers.

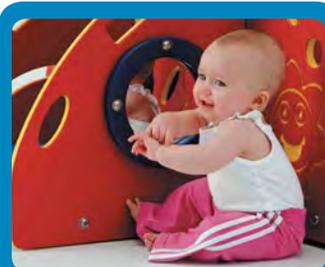

Spinning Shapes and Gears develop fine motor skills

Cruise Rail for practicing walking and standing

Bubble Panel facilitates teacher and peer interaction

Mirror inspires self-discovery and recognition

Color Options:

Playful

ComfyTuff

Natural

ComfyTuff

Visual Wheel for sensory stimulation

Ideal for indoor or outdoor play areas

Playful: UP130 (Back View)

**Not for installation over hard surfaces such as concrete, asphalt, or packed earth. Refer to ASTM F2373 for public and supervised surfacing and use zone requirements. ASTM F2373 is available for purchase at www.astm.com.*

Crawl & Toddle

featuring **Coated Steel Platform**

Playful: UP132 **Natural:** UP133

Dimensions: 62" L x 44" W x 33" H

Use Zone: 11'2" x 9'8" **Capacity:** 8 children

**Surface-Mount and Inground packages sold separately.*

Natural: UP133 (Back View)

Playful: UP136 **Natural:** UP137

Dimensions: 56" L x 30" W x 33" H

Use Zone: 10'6" x 8' **Capacity:** 6 children

**Surface-Mount and Inground packages sold separately.*

Playful: UP136 (Back)

Top View

Color Options:

Perfect for little legs and hands with age appropriate activities to promote fine and gross motor skills.

*Not for installation over hard surfaces such as concrete, asphalt, or packed earth. Refer to ASTM F2373 for public and supervised surfacing and use zone requirements. ASTM F2373 is available for purchase at www.astm.com.

Learn-a-Lot

Play Station & Sensory Wall

Variety is essential during early childhood. The Learn-a-Lot provides children with opportunities for learning, exploration, and engagement through rich multi-sensory experiences. For use indoors or out, it provides a perfect addition to any play space. The Learn-a-Lot can be configured in a square or zig-zag depending on preference. With so many options, young children will discover something new each day.

4-Panel Configuration

Playful: UP142 Natural: UP143

Dimensions: 74" L x 79" W x 24" H

Use Zone: 12'9" x 12'9" Capacity: 16 children

**Surface-Mount and Inground packages sold separately.*

2-Panel Configuration

Playful: UP149 Natural: UP150

Dimensions: 71" L x 71" W x 24" H

Use Zone: 12'6" x 12'6" Capacity: 12 children

**Surface-Mount and Inground packages sold separately.*

A variety of cause and effect activities designed to promote fine motor skills

Auditory experiences with music

Children enjoy self-exploration and self-recognition with shatter-proof, non-glass mirrors

Ball chute incorporates loose-parts play

2-panel configurations are available

Versatile design is easily rearranged to meet your needs and to provide variety for users

Cozy spots encourage social interactions and dramatic play

Colored windows provide a unique visual-sensory experience while learning about colors

Explore shapes, sizes, and objects

Visual stimulation

Playful: UP142

Color Options:

The crawl-through arch allows children to play on the inside and out

**Not for installation over hard surfaces such as concrete, asphalt, or packed earth. Refer to ASTM F2373 for public and supervised surfacing and use zone requirements. ASTM F2373 is available for purchase at www.astm.com.*

Only two adults needed to configure. Necessary tools are provided.

The Big Outdoors

The Big Outdoors allows young tots to recognize familiar objects from their own backyard. With recycled deck slats for flooring, the Big Outdoors provides a unique venue for exploring.

Playful: UP146 (Colors as shown)
