

⚠ WARNING

These units should be operated only by authorized adults who have read and understand these operating instructions. Movement and/or operation of these tables by children could result in serious injury! It is dangerous to leave children unattended in the area of folded tables. Do not use tables as room dividers. To avoid table tipping over, push from end of table; DO NOT push from side. If necessary to replace or repair leg assemblies, contact Palmer Hamilton. Legs contain torsion bars under rotational force that can be hazardous and could result in serious injury if released without following proper procedures. Center legs contain springs under compression that may be hazardous and could result in serious injury if released without following proper procedures. Do not sit or stand on tabletops. Do not stand on benches.
