OF EDUCATION

Portable PA Tripod

Model TP-50

The portable TP-50 Tripod supports the PowerPro™ (PA919) PA series. Simple to set up and light enough to easily transport, it's made with mar-resistant powder-coated over thick aluminum tubing for durability. Once fully unfolded, the heavy-duty TP-50 has an extra-wide footprint for additional stability.

1. Threaded, triangle shaped, tension-adjustable knob for quick and easy height adjustments
2. Beefy 1-3/8" aluminum tubing withstands repeated use
3. Supplemental cotter-pin gives additional reinforcement
4. Stability assured with wide stance 40" triangle (measured from tripod leg tip to tripod leg tip)
5. Pre-drilled center post for quick and easy height adjustment
6. Maximum height adjustment 74" for optimum projection

“Project Intercept”

Please contact us immediately if you experience any difficulties with your tripod. Our “Project Intercept” customer service program will quickly repair or replace items under warranty. Simply contact us via phone or email warranty@califone.com.
