

## Zenergy™

Is your seating, zenful? Fill your workspace with vibrant energy that also brings a sense of calmness, to create a space that is in perfect harmony with its surroundings. Zenergy™ will enlighten any environment with its fun and spunky attitude, while putting a bounce in the step of ordinary. Designed with a 17½" (anti-burst) exercise ball, that is covered in mesh, so your seating experience can come alive. This design allows a little zip in your sit by providing movement that not only helps you sit comfortably, but also helps you concentrate and supports better posture and balance. Movement keeps your mind open, while keeping your body actively engaged, no matter if you're problem solving, or having a casual conversation. The mesh cover comes in three inspiring colors (Crimson, Grass or Black), accented with four, powder coated legs and stationary glides, Zenergy will free your mind to concentrate on other things, like let's say work. Zenergy also comes with a pump to help you inflate to a better state of mind. With a zest for seating that will help you find your center, Zenergy has an aura that says: Be One With Your Seat.
