

⚠ WARNING

These units should be operated only by authorized adults who have read and understand these operating instructions. Movement and/or operation of these tables by children could result in serious injury! It is dangerous to leave children unattended in the area of folded tables. Do not use tables as room dividers. To avoid table tipping over, push from the stool side of the folded table; DO NOT push from the flat table side. If necessary to replace or repair leg assemblies, contact Palmer Hamilton. Legs contain torsion bars under rotational force that can be hazardous and could result in serious injury if released without following proper procedures. Do not sit or stand on tabletops. Do not stand on stools.

MOVING THE TABLE

CORRECT WAY
To avoid table tipping over, push from the stool side of the folded table, facing the Center Lock Rod.

INCORRECT WAY
Pushing from the flat table side may cause tipping.

MAINTENANCE TIPS

1. Lubricate up and down latches on a regular basis.
2. Lubricate all pivot points as required.
3. Check nuts and bolts on a regular basis.
4. Use mild soap and water, damp sponge for general cleaning. For tougher stains, visit wilsonart.com.
