# A&D® TECH POD

These tables create an ideal environment for small group activities. Each Pod comes equipped with a 1- or 2- table system, standard HPL with reinforcement sub-straight keels, racetrack t-mold and A&D adjustable legs (exception is All Terrain legs on Bullet). Pods also include a ganging mechanism to mate tables together, Move-IT X2 skater casters on each table for wheelbarrow handling, a power pop-up cut out (PD FLIP) and a mobile flat panel monitor caddy. (see options for television)
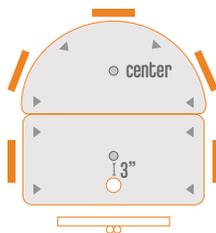

Product standard with
2 casters on each table

Standard electrical is 3 1/4" PD Flip with two 2" mini grommets placed as seen above unless otherwise specified. Also includes 2-4" plastic wire managers.

STEP 1 PICK YOUR PRODUCT

○ **Frame**

Flattened oval set of four single-post legs using oval tube matching both the existing all terrain legs and the tubing on the cantilever frame. Height adjustment is achieved with 8 contact points on plastic-molded bezels, and the contoured plastic molded end cap is held in place with the insertion of the floor glide.

○ **Surface/Edge**

1¼" HPL Laminate Racetrack t-mold
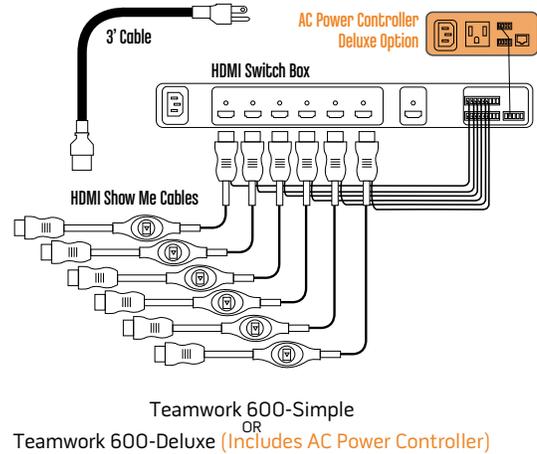

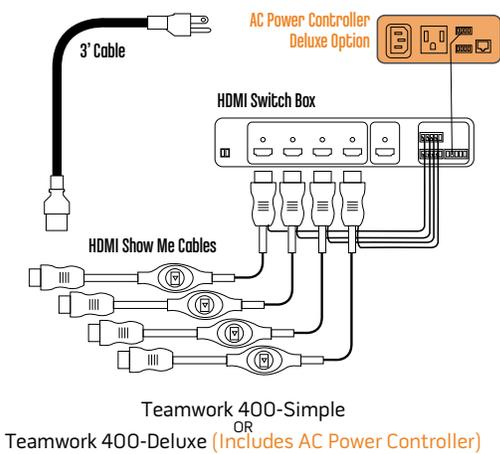

HPL COLORS

PAINT COLOR   ACCENT COLOR

○ **Color Options**

Titanium, flannel or wisdom frame paint with your choice of standard laminate colors for top surface. Refer to the Paragon Color Guide for a complete list of colors.
