

Flagship Carpets

SPECIFICATIONS ON RUGS:

ORIGIN: Made in the USA.

CONSTRUCTION: Densitech construction for highest fiber density, with Nexatron Dye infusion process that ensures bright and lasting color.

MATERIAL: 100% Invista type 6.6. Continuous Filament Nylon.

ANTI-MICROBIAL TREATMENT: As a part of the manufacturing process, all carpets will be treated with Force 5, a permanent anti-microbial agent. This agent will guard against odor, mildew and mold.

STAIN PROTECTOR: Treated with Scotchguard PROTECTOR for superior soil resistance.

ANTI-STATIC TREATMENT: Permanent treatment to guard against shock.

CERTIFICATIONS: Class I Flammability Rating and Indoor Air Quality passed.

LIFETIME ABRASIVE WEAR WARRANTY: Carpet is guaranteed not to wear more than 20% by abrasion during the lifetime of usage. Flagship is the only supplier in the industry to provide a 3 month warranty on serging for manufacturer defects.

BINDING AND SERGING: Bound and double stitched with nylon edge yarn for maximum strength and durability.
