By storing materials upright they resist warping and are easier to find than stacked or shelved materials. Constructed of solid wood with a hardboard back, the Art Rack offers 4¼"W x 23¾"D x 27⅞"H vertical compartments with labeling channels above and below to identify contents. This piece also contains tempered hardwood dividers. Stack racks vertically; use side-by-side or alone. Simply add more racks as needed. Use for vertical filing only. Textured Putty laminate finish. Easy assembly.
