

Mobile Vertical File

The economical Mobile Vertical File is built to withstand the rigors of a construction site and is equally at home in the design office. Features steel construction with ball bearing swivel casters. The width easily adjusts to fit 24", 30" or 36" Hanging Clamps, (sold separately), height adjusts from 40" to 52". Holds up to 12 clamps that drop in and lift out with a maximum capacity of 1200 sheets or 240 lbs. All steel construction with four ball bearing swivel casters (2 locking). Tropic Sand. Easy assembly. Clamps packed in cartons of 6 each.

Model	Description	W x D x H	Ship Weight	Price Each	Carton Price
