5100

Wherever alternative seating is required, Safco has a stool to fit the job. The Industrial Stand Alone Stool is designed for those jobs where the work position changes frequently, it provides support to relieve leg and back strain. The Office Stool features pneumatic height adjustment. The Adjustable Footrest has a multi-position oversized platform and is designed to be used in combination with extra high seating. Some assembly required.

5126: Stand Alone Stool—Seat height range 21" to 35". 10 position manual seat adjustment at 1¼" interval. The large contoured seat with lower back support and waterfall front offer amazing comfort while manually adjustable spring suspension seat frame automatically tilts forward up to 15°. Heavy gauge wrap-around support with built-in footrest adds additional strength to the triangular heavy gauge steel tubular base and frame. Rubber anti-skid support feet give additional support to the frame. It also features black microcellular, self-skinning polyurethane seat with waterfall front.

5124: Adjustable Footrest—Height range 5½" to 15" with 9 positions 1¼" intervals. Textured anti-slip platform mounts at an 8° angle. Black tubular steel construction locks together with button tabs.

5100: Office Stool—5" Seat Height adjustment with paddle lever. Telescoping dust cover to protect pneumatic lift mechanism. Black Microcellular self-skinning polyurethane foam seat.
