

Wire File Carts

Transport your files to where they are needed or just move them aside to free-up your work area with these great mobile high-density file carts. All three carts are designed to accommodate letter and legal size hanging file folders (not included). Sturdy steel construction with a scratch resistant powder coat finish. Four swivel casters (2 locking). Assemble in minutes without tools.

5201- The cart is designed to accommodate letter or legal size hanging folders and rolls easily on four swivel casters (2 locking) so you can easily slide the cart under a work-surface to open up floor-space. Available in Black (BL) and Gray (GR) power coat finish.

5277- This cart tucks under most work surfaces and accommodates 50 letter or 40 legal size folders in its hanging file frame. Bottom shelf included for additional storage. Available in Black.

5278 - Our popular 2-Tier Rolling File cart allows for letter size folders to be placed in two rows for front to back filing, or one lengthwise row on each file frame. Designed to accommodate letter and legal size file folders (not included). The bottom shelf can be used for storage if additional filing is not needed. Available in Black.
