

Heavy-Duty Commercial Steel Shelving

FEATURES:

Corner brackets to help prevent rocking and greatly improve stability and rigidity of overall unit.

Hat channel underneath every shelf increases overall strength. Helps in prevention of bowing and deflection due to overloading.

Lights! Camera! Action! The box beam shelf design and double-sided compression clips support loads up to 750 lbs. per shelf (based on a 36"W x 12"D shelf evenly loaded). Shelves can be easily repositioned in one-inch increments. Features corner brackets and hat channel. Durable Dark Gray finish. Assembly required.
