

At-Your-Disposal®

This receptacle is constructed of impact and moisture resistant high-density polyethylene making it great for outdoor use. It is also 100% recyclable with built-in UV inhibitors.

At-Your-Disposal also Features 12" waste opening with four handles that remain hidden until needed. Liner bags are kept out of sight and held in place by grippers along the top edge. Security Connectors allow the Lid to be attached to Base. Receptacles may also be attached to an anchoring point or ganged in multiples.

Reduce shipping and storage costs. The entire unit fits in a 6" high box saving over 60% volume compared to other receptacles of the same capacity. Assembly includes securing the Sidewall into the Base and Top.
