

Dual Well Warmer

Soups - Sauces - Toppings

This Dual Well Warmer is ideal for soups, sauces and toppings. The twin 7 quart wells are the ideal for the toppings and it comes complete with the hinged Inset lids and two long-handled, 3 ounce, one-piece ladles. It is constructed out of 18/8 stainless steel and comes with Benchmark USA's Three-Year Warranty for worry-free operation. The extra long legs provide easy access for cleaning. Whether you serve pasta sauces, ice cream toppings or soups you'll appreciate that the pans, lids, ladles and adaptor plate are all removable for easy sink or dishwasher cleaning. It has a covered master switch and an adjustable thermostat for all cooking conditions.
