- 16 Gauge Inserts
- Lifetime Frame Warranty
- 12" Adjustable Height
- Nine Hard Plastic Top Colors
- Adjustable Glides

310 Student Desk Specifications

Frame: All-tubular frame design with attachment plate, 18 gauge x 1.250" tubing uprights, multiple arc welded into a integral design. 1.250" x 18 gauge tubular cross brace is welded to connect each leg. Minimum 24" of total weld. Frame upper is powder coated after all welding is complete.

Standard Chrome Insert Finish: Chrome is comprised of metal layers (Nickel & Chromium) electrostatically bonded to metal. Our standard is 4-6 mills (25%-50% more than our competitors) of Nickel. Hard-Chrome will not scratch. CASS test per ASTM B 368 - 22 hours harsh tested before rust. Our product is chromed on plateable quality tubing after all welding is completed.

Standard Frame Finish: Electrostatically applied powdercoated Minitex Black and Titanium are standard. Textured Powdercoat hides fingerprints and offers superior wear resistance due to the raised surface.

Inserts: 1.125" diameter, nickel/chrome plated tubing with punched holes to receive two adjustment screws per leg. Leg adjustment uses self-tapping locking screws which pass completely through both upper leg and lower insert.

Glides: Four independently adjustable nylon glides. Glide adjust via inside holding metal threaded adapter. The units allows for easy adjustment for inconsistent floors.

Solid Plastic Top: Solid molded thermoset plastic. 19" x 26" work surface with smooth molded edges and permanent color throughout thickness. Molded pencil groove. Top is attached using self-tapping screws into twelve uniformly drilled holes.

Laminate Top: Three-ply construction. 20" x 21" x 27" High pressure laminate and backer are 'fused' to the wood core base using a glue web formulation that is clean, environmentally safe, extremely consistent. Thick bull-nosed edging. Top is attached using self-tapping screws into twelve uniformly drilled holes. No pencil groove.

Top Colors HP: Available in standard Beige and Slate. Optional Charcoal, Grey Nebula, Maple, Cherry, Oak, Mahogany, and Walnut.

Top Colors Laminate: Available in standard Grey Nebula and Maple, Any color that is a Wilsonart™ standard is available for an upcharge.

Warranty:

- Limited Lifetime Frame Warranty
- Ten Year Comprehensive Warranty

Samples: Compliance with the specifications and verification of required quality levels may be determined by requesting samples.
