

A R I A

Low Profile Glassboards

The Most Secure Glassboard on the Market.

Most Secure – heavy-duty hanging system gives confidence the board will never bow, strain, or move from the wall, creating a safe user experience.

Low Profile – 1/4" tempered glass floats only 1/2" from the wall surface, giving the illusion of floating glass.

Integrated – no exposed hardware and a clutter-free marker solution creates a clean and frameless writing surface.

Limitless – design your space by choosing the vertical or horizontal orientation, singular, or as a glass wall.

Quality – non-porous glass surface works with standard dry erase markers and will not ghost or stain – guaranteed.

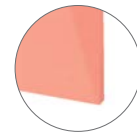

Bold - 13 color variations: 7 bold, 6 neutral.

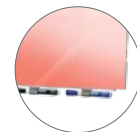

A Striking Composition of Function Meeting Elegance.

Aria low profile glassboards achieve the look of weightless, floating glass, creating a feeling of opulence from every angle. No visible hardware or standoffs allow the beauty of the glass to complement any décor. Our team of engineers developed a heavy-duty hanging system that promotes security and confidence that your board will never bow, strain, or move from the wall. With multiple orientation options, Aria can be used as a single board for personal offices and conference rooms, or designed as a glass wall, optimizing brainstorming and collaboration spaces.

- 1/4" tempered low profile glassboard floats only 1/2" from the wall surface
- Installed with heavy-duty aluminum cleating and a steel support bar that work together to safely secure the glassboard to the wall
- Steel support bar acts as an integrated marker solution, 4 markers and eraser included
- Available in square corners, magnetic, or non-magnetic writing surface
- Backed by Ghent's 50-year warranty; guaranteed not to ghost, stain, or scratch
- Choose from 13 standard colors; custom colors, graphic, and logo printing available

Square Corners

Integrated Marker Storage

*Black glassboards require fluorescent dry erase markers. Fluorescent dry erase markers are included with Black glassboard purchases.
