

Limited Two Year Consumer Warranty

All Justick products have been manufactured to precise standards with rigid quality control through every process of manufacturing and are warranted by Justick against defective workmanship or materials for two full years from the date of purchase. Justick's authorized dealers will, at their option, either repair or replace free of charge product that is returned either in person or by prepaid postage with insurance to the location from which it was purchased. The product must be accompanied by proof of date of purchase, i.e. original sales receipt. Repair, replacement or refunds of the purchase price are the sole remedies under the warranty. The warranty does not cover batteries or equipment not manufactured by Justick. This warranty does not apply if the product has been damaged by accident, misuse, abuse (including, but not limited to chemicals, sand, dirt, liquid, impact, battery corrosion, etc.), failure to follow operating or maintenance instructions, unauthorized service, use with incompatible accessories or attachments or if the product has been modified. This warranty cannot be resold or transferred.

The foregoing warranty is Justick's only warranty with respect to the product and Justick makes no other warranty whatsoever, express or implied, regarding the product including merchantability and fitness for a particular purpose. In the event the exclusion of any implied warranty is ineffective under the law, the duration of the implied warranty will be one year from the date of purchase or such longer period as required by law. In no event will Justick or its authorized dealers be liable for incidental, consequential or special damages resulting from the sale, purchase or use of product, regardless of the cause even if such damages result from negligence or other fault. Liability for any special, consequential or incidental damages (including but not limited to loss of revenue or profit, downtime costs, loss of the use of the product, cost of substitute product(s) or claims of customers for such damages resulting from the purchase, use or failure of the product) regardless of the cause or for breach of any written or implied warranty is expressly disclaimed.
