

ELECTRIC STAND UP DESKS

60" 3-STAGE DUAL MOTOR ELECTRIC STAND UP DESK STANDE-60-BK/WO

Luxor's electric height adjustable standing desk delivers exceptional performance at the push of a button. The two motors quietly power the three-stage leg columns to quickly raise and lower the desk at an impressive rate of 1.2" per second while a programmable memory keypad will store two customized settings for preferred user heights.

The electric sit stand desk's solid steel frame features a telescoping leg system that offers greater adjustability while the spacious 60" desktop accommodates multiple monitors.

Whether used in a business or home office setting, this 3-stage dual motor electric stand up desk delivers the health benefits of standing while increasing productivity throughout the workday.

Dimensions:

- Overall: 59" W x 29.5" D x 26" to 51.6" H
- Desktop: 59" W x 29.5" D

Features:

- Electric push button control adjusts desk from 26" to 51.6"
- Two motor system with 1.2" per second lift speed for smooth, fast, and quiet height adjustment
- Three-stage, telescoping leg system lifts heavier loads and allows lower and higher height adjustments
- Sturdy steel frame with 256 lb. lift capacity
- Programmable memory keypad with up/down arrows store two preferred heights
- Generous 59" x 29.5" work surface provides plenty of room for multiple monitors
- Melamine top with white oak finish
- Anti-collision mechanism prevents lowering the desk on top of objects in its path
- Includes 9' power cord
- 7-year warranty on the motors
- Assembly required
- Meets ANSI/BIFMA standards
