

MAKERSPACE TRAY MOUNT KIT

Model # 98-1013

OVERVIEW

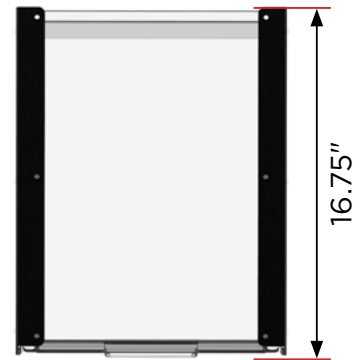

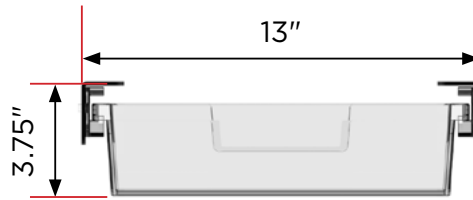

Marco Group Makerspace Tray Mount Kits provide storage for a wide variety of items in today's classroom. The trays can be transferred to work areas or stored in a central location using one of our Makerspace storage carts.

The Makerspace Tray Mount Kit is made of 11-gauge steel and is powder coated black for a long lasting durable finish. The side rails are attached to the steel housing using machine screws. The side rails are made of super tough ABS plastic and designed to glide and tilt the Tray with ease.

The Makerspace Tray Mount Kit will work on all Apex™ Series Desk models except desks that are 54" in length or longer. Assembly is quick and easy with the use of the supplied installation template.

3" Makerspace Tray
Model # 98-1011
