

Shown with optional shelf and casters

PRODUCT

DESCRIPTION

Fab-Lab Workbench

Flexibility is the key component of this workbench. The bench is perfect for Makerspaces and Fab-Labs. It can be adjusted in height from 25-1/2"H to 35-1/2"H. Add an additional 4" to the height by adding the optional 4" locking casters. The legs and frame are made of 18 gauge steel. The steel base is finished with a gray baked enamel finish. The static weight capacity is 1500 lbs. without casters and 1200 lbs. with casters added, proving just what a work horse this bench is! Need Storage? Add the optional 18 gauge, 8"D shelf.

Choose from the following top options: 1-3/4 Maple, 1-1/2" ShopTop® or 1-1/4" Plastic Laminate available in black or almond color. The bench is 30"D and available in three lengths: 60"W, 72"W or 96"W.

ITEM #	PRODUCT	SIZE
AMS-6030M	Fab-Lab Workbench - MAPLE	60" x 30" x 25.5"-35.5"H
