

TekCart™ GLC and GLC-XL

 **intellerum**
by DATUM®

Intelligent security for evolving technology

The Intellerum **TekCart™ GLC and GLC-XL** are versatile charging carts for laptops, Chromebooks and tablets that fit perfectly into your classroom—**and your budget.**

The GLC provides more capacity in a smaller footprint than competitor carts, while the GLC-XL is designed for devices that require slightly larger storage space.

Both the GLC and GLC-XL come standard with the ability to charge a full 32 devices at once**, or if preferred, a version including a timer is available to manage the charging so you don't have to!

Shown: TekCart™ GLC-XL

To make a smarter cart, the team at Intellerum went back to school. We studied the way devices are used and stored by teachers in real classrooms and tweaked and tested our design until it made the grade. The result is **more utility in less space.**

When you need to make the most out of every dollar and every inch, you simply won't find better, more versatile charging carts than the TekCart GLC family.

TekCart™ GLC and GLC-XL Features:

- Smaller footprint with exclusive fold-flat doors
- Two 16-outlet UL-listed, staggered power strips to charge up to 32 devices**
- Easy access to back of the cart with removable back panel
- Available in a range of colors
- Cord wrap can be installed on either side
- Side integrated hand-holds for a smaller footprint
- Secure locking doors and back panel to safeguard valuable devices
- Four, full-swivel casters
- Full lifetime warranty on the cart; 3-year electrical warranty

Available options:

- **Timer for assisting with power management**
- **Trays for internal power brick storage**
