Features

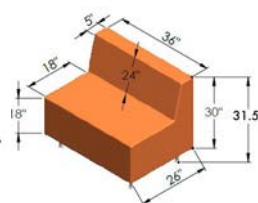

- Cushiony soft, the Mod Series offers a welcome upgrade from traditional chairs. 6 antibacterial Momentum Textiles options in endless colors are water- and pen-resistant.
- Available in multiple shapes and sizes in high density foam to encourage relaxed attentiveness.
- Seat: Polyurethane foam core with 1/2" plywood base. Available in 14" and 18" in height.
- Textiles: Three different grade options available: Grade 1 - Vinyl, Grade 2 - Crypton, and Grade 3 - Silica.
- Heavy plywood base makes the mods virtually un-tippable.
- Mods work individually or form limitless configurations. Create a haven of comfort and style with these soft seating options.
