TL-2460 - T-Leg Computer Table
(Shown with custom laminate Wilsonart Beigewood #7850, optional Grommets, Keyboard Trays and Wire Management Tray)

BENEFITS

These entry-level computer tables are designed to be durable yet inexpensive. Wide selection of widths, depths and surface colors.

DESIGN

Features a sturdy T-leg design which is secured by three self-locking screws and adjustable to heights from 22" to 33".

STRENGTH

The understructure is a unitized frame which makes these tables very sturdy. Larger-size tabletops include stretcher bars for added strength.

OPTIONS

Keyboard tray, computer holders and wire-management trays can be added to any table in this series.
