

# KYDZ

# SUITE

## Instructions for: 1550JC KYDZSuite Welcome Gate

### Hardware: HBXV

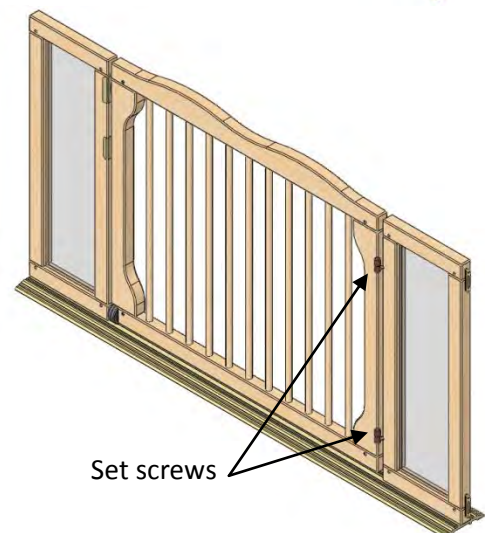

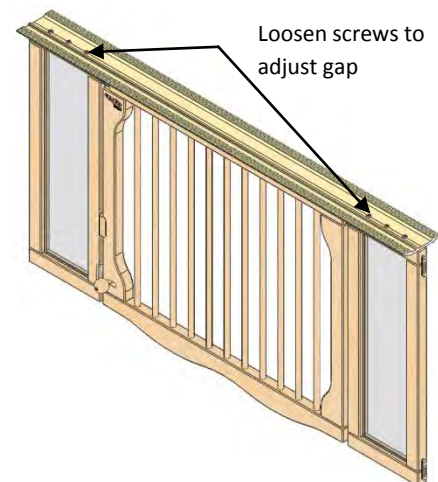

- 1 - XCPN - 2mm Hex Wrench
- 1 - XAUS - 4mm Hex Wrench

### **WARNING: CHOKING HAZARD/SHARP POINTS**

Assembly hardware contains small parts and components with sharp points. Adult assembly required.

1. Install the gate unit according to the guidelines included with the KYDZSuite starter kit.
2. If needed, the gap between the side panels and the gate door can be adjusted.
  - a. To do this, disconnect the unit from the KYDZSuite panels and turn the unit upside down.
  - b. Loosen the screws attaching the side panel to the aluminum threshold using the 4mm Hex Wrench supplied.
  - c. Slide the side panel closer to or further away from the gate door as needed and retighten the screws.
3. The 2mm Hex Wrench can be used to adjust the set screw on the hinges on the gate if needed.
4. If you experience any difficulties when assembling this product, please contact the Jonti-Craft Customer Relations Team at (800) 543.4149 or [sales@jonti-craft.com](mailto:sales@jonti-craft.com). All other requests for assistance must be directed to your Jonti-Craft Dealer.
