

STOOLS

Stools take a beating everyday, especially in schools, labs and shops. Our signature brand Angle Steel stools built the same way since 1906 stand up to the challenge. This durable, versatile line of stools offer a wide selection in many heights. Constructed of a heavy-gauge, hard-tool formed steel frame with integral ball feet and a dished hardwood or steel seat for comfort ensure solid, stable support and long life. Easily the best value on any budget for over 100 years
