

# CLASSROOM DESKS

## Workspace comfort with functional design

Synergy Series Desks & Tables are highly versatile and ergonomically designed. They work together seamlessly to provide multiple flexible configurations for a more collaborative learning environment.

Find creative ways to reconfigure a space and maximize the footprint with a variety of layout options suitable for individual learning or group activities. Mix or match from a variety of laminate colors and edgeband options to create a unique space that nurtures creative thinking.

Work surfaces include: Thermally Fused Laminate (TFL), High Pressure Laminate (HPL) and White Dry Erase.
