To reduce sharing, use this name template to make it easy to assign devices to individual students

Instructions for Tech Tub2® that holds 6 devices:

Before printing

- Enter each student's name using the fields set in the PDF, or print page out and write student names

Printing

- Templates are designed to be printed on US Letter sized paper (8.5" x 11" portrait)
- Print at 100% (no scaling required)
- Prints in black and white
- Set to only print document page 2

After printing

- Apply low-tack tape to each corner of the template and attach it to the side of the Tech Tub®
